Website: http://www.asianscientist.com/conferences/

Chapter Three

Scholarship Websites

Title: scholars4dev

Description: scholars4dev, short for Scholarships for development, is an updated listing of international scholarships specifically for people from developing countries, people who would like to pursue development-related fields, and people who seek global and national development through further education.

Website: http://www.scholars4dev.com

Title: Scholarship

Description: Scholarshiper is a website that supplies its visitors with new scholarships and classifies it depending on study level: Undergraduate, Master, PhD , Post Doctoral, in addition to academic training opportunities and summer schools.

Website: http://min7a.com/ar/

Title: Scholarship

Description: Best Scholarships and Financial Aid for International Students.

Website: http://scholarship-positions.com/

Title: Studylink

Description: Studylink is a non-profitable co-operation between the Universities of Telemark, Agder and Gjøvik to create an open meeting place where one can discuss and exchange experiences as well as disseminate information about national financial incentives and guidelines. These three institutions wish to increase the knowledge of how to cooperate with Chinese institutions in order to assure good quality and reach common goals.

Website: http://www.studylink.no/

Title: Minnesota Office of Higher Education

Description: The Minnesota Office of Higher Education is a cabinet-level state agency providing students with financial aid programs and information to help them gain access to postsecondary education. The agency also serves as the state's clearinghouse for data, research and analysis on postsecondary enrollment, financial aid, finance and trends.

Website: http://www.ohe.state.mn.us/mPg.cfm?pageID=1283

Title: **Fastweb**

Description: Fastweb is another terrific, free resource where you'll find thousands of scholarships at your fingertips. Not only does Fastweb offer a massive database of monetary awards, but it also features helpful career planning services and learning tools for its registered users! One of Fastweb's most recently featured scholarships is the "Natural Disaster" PSA Video Contest, a $3,000 scholarship offered to creative undergrads with an eye for cinematography and knowledge of the consequences of natural disasters.

Website: http://www.fastweb.com

Title: **scholarshippoints**

Description: You know how you always seem to receive a new, complimentary gift after so many purchases at that favorite beauty counter of yours? ScholarshipPoints works the same way! Well, kind of. The site's users rack up points through a rewards system, making them eligible for different scholarships according to how many points they have earned.

Website: https://www.scholarshippoints.com

Title: **Cappex.com**

Description: The site is offering ample scholarship opportunities and financial advice.

Website: https://www.cappex.com

Title: **StudentScholarships.org**

Description: StudentScholarships.org is much like NextStudent.com, serving as a powerful search engine for finding relevant scholarships for undergrads. This site is also helpful because it features career profiles for many fields of study, giving its users a good idea of expected salary and job opportunities after graduation.

Website: http://www.studentscholarships.org/scholarship.php

Title: **SuperCollege**

Description: This site is an online database of scholarships, grants and fun contests for undergrads to enter and (hopefully) win.

Website: http://www.supercollege.com

Title: **Chegg Inc.**
